

## Get a GSA Schedule on Your Terms

If your company is looking for a do-it-yourself solution to getting on GSA Schedule while controlling your costs, then our GSA Flex™ solution is right for you.

GSA Flex™ gives you the flexibility to use our expertise as little or as much as you deem necessary. With our GSA Flex™ solution, our GSA Schedule experts are available to you and your staff on an hourly basis through the entire GSA Schedule process to help you write, assemble, and negotiate a winning GSA Schedule contract that you can live with.

### WHY A GSA SCHEDULE

Why a GSA Schedule? More than 80% of all Federal contracts are awarded to vendors who already have a contract in place. In other words, Federal buyers overwhelmingly prefer to buy from vendors who have pre-approved contracts. The GSA Schedule is the most popular pre-approved price list contract available and is the first step toward success in the Federal market.
